

### **Safety + Security Products with Best-in-Class Performance**

Through School Specialty and your AEA Purchasing contract, SSI Guardian offers a wide range of security and safety-related products to help you address any risk or challenge your school may face. We are continually seeking new and innovative performance-based products that will help make education facilities and environments safer.

All products and technologies bearing the SSI Guardian Certified Approved status have passed a rigorous evaluation process to ensure performance and enable you to make your safety and security procurement decisions with greater confidence.

In the absence of federal standards, School Specialty/SSI Guardian has taken a leadership role in bringing performance-based solutions to our nation's schools. Guardian QAL - Quick Action Lockdown and Casualty Response Kits enhance the overall safety and preparedness of facilities, working in direct synergy with emergency operations plans.
