

With shrinking budgets and fewer resources, school districts and public agencies are looking to AEPA now more than ever to help meet their purchasing requirements. Collaborative purchasing expertise insures that our contracts are legal, safe, and compliant.

AEPA contracts are

- Competitively bid through a single locally and nationally recognized purchasing solicitation
- Tailored to meet each member state's specific legal requirements
- Supported locally by a service agency serving municipalities and schools

Athletic Equipment & Supplies Bid / Contract #023-G

Approved Supplier: Partac / Beam Clay

*Nationally Bid,
Locally Awarded*

AEPA is your one-stop-shop for athletics! We have competitively bid a full line of products to help you build your dream athletic and recreation complex. We've done the leg work for you, following state-specific purchasing guidelines. And by combining the purchase power of those that we serve across the country, we've secured deep discounts on everything you need. Contact us to start saving today!

Strength in numbers to save more for your agency ...

We are purchasing professionals from school cooperatives in 29 states. Working together as the Association of Educational Purchasing Agencies (AEPA), we take pride in writing the best possible solicitations. AEPA coordinates bids that deliver better pricing and buying power for school districts and other public agencies, regardless of size.
