

RELY ON US

WHEN YOUR BUSINESS IS IN NEED.

DOCUMENT & MEDIA RECOVERY

Losing important documents and media due to **fires, floods and other natural disasters** can hinder business productivity and leave you exposed to potential litigation. Whether you're a hospital, university, government institution or manufacturing facility, our vacuum freeze-drying chambers allow us to dry your documents rapidly, securely and effectively. As a result, the documents can be handled safely when they undergo cleaning.

OUR TECHNOLOGY ALLOWS FOR:

- ✓ BOOK & DOCUMENT DRYING
- ✓ MICROBIAL REMOVAL
- ✓ DOCUMENT FREEZE-DRYING
- ✓ DOCUMENT RECOVERY FROM FIRES, FLOODS, RODENT OR INSECT INFESTATIONS

DOCUMENT & MEDIA RECOVERY

WE CAN RECOVER DATA THAT YEARS AGO
WOULD HAVE BEEN CONSIDERED A TOTAL LOSS.

**DOCUMENTS,
VITAL RECORDS
& BOOKS**

**HARD DISK
RECOVERY**

**CD & DVD
RECOVERY**

**MOVIE FILM,
AUDIO TAPE
& X-RAYS**

**SPECIAL
COLLECTIONS
& MUSEUMS**

Our state-of-the-art recovery facility allows for the utmost privacy concerning sensitive medical records, confidential corporate papers and classified or top-secret government information. We adhere to all regulatory compliance laws including HIPAA, FACTA, GLB and Sarbanes-Oxley. Microfilm, microfiche and x-rays, damaged by smoke or water can also be recovered if time-sensitive protocols are enacted quickly.
